OPENINGS IN VASTNED'S PORTFOLIO

We are proud to announce that the opening of the shops of **Medi-Market** and **Action** on the **Elsensesteenweg 41-43 in Brussels** in the beginning of October was a great success. The opening of both shops was preceded by the renovation of the entrance to the minus one level.

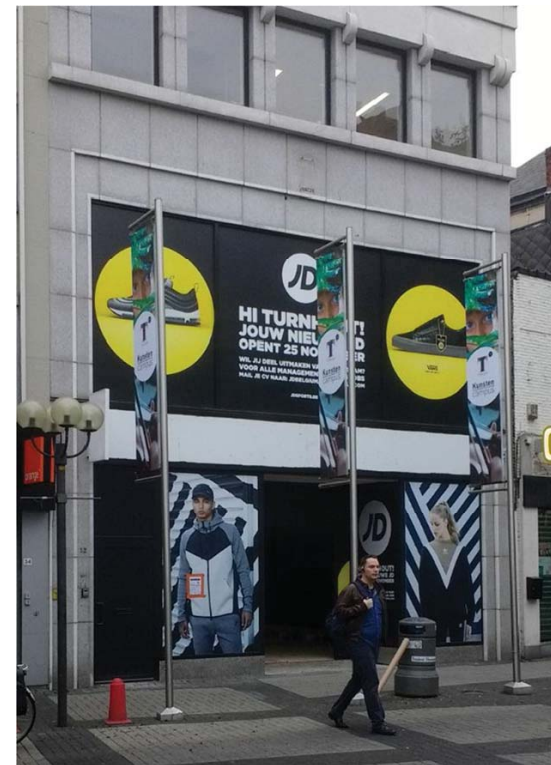

At the end of October, the indoor playground "**Het Speeleiland**" opened on the **Molsesteenweg 56 in Balen**. The playground replicates the exotic vibes of a holiday feeling while the youngest visitors can enjoy several activities. Feel free to consult their website for more information:

Recently, Vastned has signed a lease agreement with **JD Sports** for the former Desglial shop on the **Gasthuisstraat 32 in Turnhout**. The opening of the shop is foreseen on Saturday 25th November. JD Sports is a leading multichannel retailer of sports fashion and outdoor brands in Europe.

We would like to welcome our new tenants and we wish them all the best.

TO LET
GHENT VELDSTRAAT

We currently have a shop to let in the **Veldstraat** in the inner-historic centre of **Ghent**. The historical city of Ghent boasts a vibrant combination of different architectural styles, shopping capabilities and several cultural pastimes.

Vastned has obtained a building permit to eliminate the differences in height of the groundfloor

level and to replace the present window-panes. These works are in progress and will be finished by the end of January 2018.
